

White Crest Parking Lot Design - Solicitation
September 12, 2016

**Town of Wellfleet
Solicitation for Quotes
Engineering Design for the
Expansion of the White Crest Beach Parking Lot and Restroom Facility**

The Town of Wellfleet (“Town”) is requesting engineer firms to submit quotes to provide services in connection with the following project: Expansion of the White Crest Beach Parking Lot in the amount of approximately 400 to 600 new parking spaces on an area of approximately 500’ by 500’ and a new restroom facility. Please provide a quote for the following scope of work: 1) Engineering Design for expansion of the parking lot to include permitting with the Natural Heritage and Endangered Species Program and any other pertinent local, State or Federal authorities, 2) incorporate elements of green parking lot design such as using vegetative buffers for storm water management, 3) that pavement construction design is in accordance with Mass Department of Transportation standards, 4) that a new restroom facility is incorporated into the design inclusive of a new septic system and in compliance with State of MA Title V regulations and other pertinent rules and regulations. Solicitations shall include a cover letter with quote and list of similar or relevant projects completed. Solicitations are due Friday, October 14, 2016, by 2:00PM either via e-mailed to Brian.Carlson@wellfleet-ma.gov or via mail to Assistant Town Administrator 300 Main Street, Wellfleet, MA 02667.
